Welcome

Welcome to Family Connection by Naviance!

El Dorado High School's Family Connection site is designed to assist our students with college and career planning. Utilizing the tools in the tabs above will help you to set [future goals](#) for yourself, build a professional [resume](#) that can help you to get a job or assist your teachers in writing your letters of recommendation, identify [careers](#) of interest based on questionnaires and personality surveys, and [search for colleges](#) that will enhance your education and allow you to achieve your goals.

We encourage you to explore your career goals, find your best fit in a college or university, and explore college visits and enrichment programs that can help you to figure out where you want to be and what you want to do come graduation year.

Please check out the resources in the tabs above and the links below and reach out to your counselor with any questions or ways in which we can better assist you in achieving your goals.

- [SuperMatch](#) college search: Select from a number of criteria, indicate its level of importance and quickly get a response based on those criteria, including an explanation of the results.
- [Colleges I'm Thinking About](#) list: You can add colleges directly to your Colleges I'm Thinking About list or you can use some of the college research tools like SuperMatch and College Search to identify some colleges that might be a good fit for you. By listing colleges that interest you, your counselor can give you some insight into how selective that college may be and if that college would match well to your academic and high school background. During your senior year, you will be able to convert the colleges that you have decided to apply to from your "Colleges I'm thinking about" list to your "Colleges I'm applying to" list.
- [Roadtrip Nation](#) content: The Roadtrip Nation interview archive is a digital career exploration tool that enables students to discover new pathways, interests, and ambitions. The archive includes more than 3,500 full-length video interviews chronicling the diverse personal stories of leaders who have turned their interests into their life's work.
- [Resume Builder](#): Includes quick tips on completing a resume and thinking about future opportunities to help build the resume
- [Do What You Are](#) survey: Do What You Are is a Meyers-Briggs based personality profile. It reveals information about a student's strengths and blind spots, recommended career paths and college majors, as well as tips for conducting the most effective career search.
- [Career Interest Profiler](#) survey: The Career Interest Profiler is an online career interest assessment for students based on Holland's interest codes.
