

# EL DORADO UNION HIGH SCHOOL DISTRICT STEP PARENT AUTHORIZATION

*The State of California Education Code states for the purpose of accessing student records, a "parent" means a natural parent, an adopted parent, or legal guardian. If the parents are divorced or legally separated natural parents having legal custody of the student may access a student's record. Step parents do not have a right to access a step child's student records without the written consent of the natural parent with custody.*
