

# El Dorado Union High School District

## Hotspot Instructions

The El Dorado Union High School District is issuing 3 different types of hotspots based on the inventory we have received. Each of these 3 types of devices has specific instructions. Please follow the guidelines below based on the model you have been provided.

### Moxee

1. Turn on the device.
2. Press the Menu button to toggle to the 2.4 or 5.
3. Press the Power button to select.
4. Note the network name and the password next to the padlock.

### Unite Express 2

1. Turn on the device.
2. Press the Power button to toggle screen.
3. Note the network name and the password next to the padlock.

### Jetpack

1. Hold in the Power button to turn on the device.
2. Once device has been turned on for 5 minutes, turn off device by holding in the Power button until it says "Goodbye".
3. Hold in Power button to turn on device.
4. Once device is booted up, press Power button to toggle through the menu.
5. On device, select the Wifi Name that is displayed on the mifi.
6. Toggle to the password screen to get the password.

If you have any questions or difficulties, please contact the Main Office of your high school.

Thank you,
