

AERIES.net Portal & Summer Data Confirmation

<http://parent.eduhsd.k12.ca.us>

The EDUHSD AERIES.net Portal includes many features to keep you up to date on your student's school progress:

- Student Attendance • Student Grades • Email Notifications from Teachers

AERIES.net also provides parents a way to update demographic, contact, and medical information online, as well as access many documents you previously would have received via mail, including:

- The Annual Parent Notification • Summer Newsletter • Medication in School Forms

We are asking that all parents log on to the AERIES.net Portal starting July 15, 2019 to complete the "Data Confirmation" process to update your child's information for the 2019-20 school year.

Please note that the Data Confirmation process can only be accessed from a Parent Aeries.net account, it cannot be accessed from student accounts.

Returning EDHS students and parents:

Parents and/or students who previously accessed an Aeries.net account will continue to access your account with the same login process - same username, same password, same website address. *You will be prompted from the Home Screen on how to access the Data Confirmation steps.*

New EDHS Students and Parents:

You will receive information via mail in July regarding how to create your AERIES.net Portal account. Once you have created your account, please login and complete the annual *Data Confirmation Process*. *You will be prompted from the Home Screen on how to access the Data Confirmation steps.*

Parent Square

Parent Square (PS) is a two-way private communication platform. It provides a safe way for administrators, teachers, staff, groups and parents, to connect and effectively communicate. All school, grade level and classroom information is sent from one centralized place to your computer or mobile phone via email and/or text or you can download the FREE app! It is important for all current PS users to verify that your AERIES information is correct since PS pulls your contact information from AERIES. Enrollment in PS is automatic, we recommend that you register for PS by accepting the invitation from PS when you receive it in July. If you have not received an invitation by July 29, 2019 please email rmedina@eduhsd.k12.ca.us

Thank you for helping us communicate to our EDHS Family effectively!
