

The image features five silhouetted figures standing in a line against a bright, golden-yellow background that suggests a sunset or sunrise. From left to right: a woman in a uniform holding a laptop; a man in a lab coat holding a small object; a soldier in full combat gear with a helmet; another soldier in a cap and uniform; and a soldier in a full ghillie suit holding a rifle. The overall mood is one of readiness and diverse capabilities.

**WHAT'S YOUR WARRIOR?**

# Occupational and Career Enhancement: The Strength To Live Out Your Dreams

## Basic Combat Training (BCT)

- Ten-week program
- Develop mental/physical strength/endurance
- Learn basic Soldiering skills, Core Army Values

## Advanced Individual Training (AIT)

- Hands-on training in the skills of an Army career
- The foundation of an Army career
- Many AIT schools offer certifications for civilian jobs

## One Station Unit Training (OSUT)

- Combination of BCT and AIT
- Designed for all Combat Arms Soldiers

## Training Options

- Guaranteed Training of Choice
- Enlistment Options of 3 years up to 6 years (pending career selected)
- Army Civilian Acquired Skills Program (Prior training, education and/or experience qualifies for enlistment at a higher pay grade)
- Officers Candidate School (four year college degree or higher required)
- Airborne/Ranger Training Available
- Warrant Officer Flight Training
- Special Forces Enlistment Option

Being a Soldier means you're always learning. In the Army, you can take advantage of a long list of job and leadership training opportunities, giving you the skills to succeed in the Army and in life. The Army will also provide you the strength to not only follow but also to lead.
